

# CORPORATE SPONSORSHIP PACKAGES

Sustainability CoLab supports a network of non-profits building the low-carbon economy in communities across Ontario. Programs in the CoLab Network are helping businesses thrive by becoming more environmentally sustainable. Through these programs, networks of local businesses are supported in setting and achieving sustainability goals and are celebrated for progress made. Together, we're demonstrating a more sustainable economy is possible.

## SPONSORSHIP OPTIONS

*Sponsorship options are designed to provide a tailored investment opportunity for leading sustainability focused organizations across Canada to support & gain exposure in markets across the CoLab Network.*
